Description :

PDF-d5359 | Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achi... *The Big Rig: Trucking and the Decline of the American Dream*
