Description :

PDF-25351 | Many managers who believe themselves to be religious are all too willing to "check their religion at the door" of their workplaces. They may simply be ignorant of the implications of their faith for their business practices. Catholic teaching on business and economics has been described (with intentional irony) as the Church's "best kept secret." The Catholic Church has over the years developed ex... *A Catechism for Business: Tough Ethical Questions and Insights from Catholic Teaching*
