ISBN : #0130180440 | Date : 2000-06-16

Description :

PDF-dbef6 | This book explores the behavior of interest rates as they relate to changing market conditions, and examines how risk can be managed. It successfully bridges the gap between interest-rate theory and its application to fixed-income security portfolio management. Coverage includes the function of financial markets, the flow-of-funds system, foundations for interest rates, inflation and returns, de... *Financial Market Rates and Flows (6th Edition)*
