Description :

PDF-ceae5 | Almost one in four American working adults has a job that pays less than a living wage. Conventional wisdom says that's how the world has to work. Bad jobs with low wages, minimal benefits, little training, and chaotic schedules are the only way companies can keep costs down and prices low. If companies were to offer better jobs, customers would have to pay more or companies would have to ma... *The Good Jobs Strategy: How the Smartest Companies Invest in Employees to Lower Costs and Boost Profits*
