Description :

PDF-4e1b7 | If you understand organisations then you are more powerful, in that you are then able to further your own interests and/or those of the organisation. It then makes sense that all engineers as part of their undergraduate degrees, or their subsequent professional development, have to study organisational behaviour as part of their management training. This is a major requirement of Engineering Council... *An Introduction to Organisational Behaviour for Managers and Engineers: A Group and Multicultural Approach*
