Description :

PDF-fb327 | The investment markets have never been more dangerous. Interest rates are at all-time lows; the sanctity of cash deposits is under threat; government bonds are expensive and offer ultra-low or negative yields; equity markets are largely detached from reality after years of loose monetary policy. Investors need to calibrate themselves to the realities of this extraordinary new environment so that t... *Investing Through the Looking Glass: A Rational Guide to Irrational Financial Markets*
