Description :

PDF-f5b5d | Nearly seven in ten Americans believe the American dream will be harder for their children to achieve than for themselves. Yet the myths around rugged individualism, meritocracy, and rags-to-riches upward mobility stubbornly persist. As “pro-entrepreneurship” as the United States seems, most Americans aren’t very knowledgeable about how business really works. Millions of newly minted busines... *Invisible Capital: How Unseen Forces Shape Entrepreneurial Opportunity*
