Description :

PDF-3119b | In the ever-changing world of business, we've arrived at a point where process has trumped culture, where the race toward efficiency has made us complacent and unable to reach our potential. Stuck in the land of status quo, we've forgotten how to think. And the very structures put in place to help businesses grow are now holding them back. It's time to Kill the Company. What this book suggests is ... *Kill the Company: End the Status Quo, Start an Innovation Revolution*
