Description :

PDF-d69c9 | "How can you argue with the core principles of Lean, that you focus on what provides value to your customer and eliminate work that is not necessary (muda)? Internal auditors need to understand not only who their primary customers are, but what is valuable to them - which in most cases is assurance that the risks that matter to the achievement of objectives are properly managed. We need to commu... *Lean Auditing: Driving Added Value and Efficiency in Internal Audit*
