Description :

PDF-e3a67 | Does this sound like you? You want the long-term returns from stocks but don't like the volatility. You like the security of income from bonds and CDs, but the yields are too low. You wish there was a sensible discipline you could follow that would provide the attractive returns offered by common stock yet with more consistency and less risk. If so, then covered call writing may be the investmen... *New Insights on Covered Call Writing: The Powerful Technique That Enhances Return and Lowers Risk in Stock investing*
