Optimization Methods in Finance (Mathematics, Finance and Risk) PDF

by Gerard Cornuejols : **Optimization Methods in Finance (Mathematics, Finance and Risk)**

ISBN : #0521861705 | Date : 2007-01-08

Description :

PDF-55720 | Optimization models play an increasingly important role in financial decisions. This is the first textbook devoted to explaining how recent advances in optimization models, methods and software can be applied to solve problems in computational finance more efficiently and accurately. Chapters discussing the theory and efficient solution methods for all major classes of optimization problems altern... *Optimization Methods in Finance (Mathematics, Finance and Risk)*
