Description :

PDF-d7607 | It's an insidious disease that is crippling companies, destroying our economy, and crushing potential. It's infecting the very roots of business performance, and it's spreading fast. It isn't the recession, market volatility, scandal, or greed. It's entitlement. And it may be killing your business. In myriad ways, entitlement has been cultivated for decades. As a result, too many employee... *Ownership Thinking: How to End Entitlement and Create a Culture of Accountability, Purpose, and Profit*
