by James R. Cannon : **Practical Applications in Business Aviation Management**

ISBN : #1605907707 | Date : 2011-12-30

Description :

PDF-8db9f | Business aviation is one of America's most important yet least understood industries. Most organizations (about 85%) operating business aircraft are small and medium-size enterprises. They include a wide range of organizations: state governments, universities, charitable organizations, and all types of businesses. While the organizations that rely on business aviation are varied, they all have o... *Practical Applications in Business Aviation Management*
