Description :

PDF-8454a | Capitalism has been an unprecedented engine of wealth creation for many centuries, leading to sustained productivity gains and long-term growth and lifting an increasing part of humanity out of poverty and subsistence. But its effects, and hence its future, have come increasingly under question: Is capitalism still improving the wealth and well-being for the many? Or, has it become destructive for... *Re-Imagining Capitalism: Building a Responsible Long-Term Model*
