Description :

PDF-43896 | Does the character of our leaders matter? You may think this question was answered long ago. Countless business authors and analysts have assured us that great leadership demands great character. Time and again, we've seen that truth play out, as once-thriving organizations falter and fail under the guidance of leaders behaving badly. Why, then, do so many executives remain skeptical about the tr... *Return on Character: The Real Reason Leaders and Their Companies Win*
