Description :

PDF-3ad3a | When faced with complex challenges or uncertain outcomes, many leaders believe that if they are smart enough, work hard enough, or turn to the best management tools, they will be able to find the right answer, predict and plan for the future, and break down tasks to produce controllable results. But what are leaders to do when this isn't the case? Rather than offering one-size-fits-all tips and t... *Simple Habits for Complex Times: Powerful Practices for Leaders*
