Description :

PDF-cf0a9 | If you think that your present tax accountant (if you have one) is providing you with all of the tax planning advice you need, then you should think again. The typical tax preparer, and even the average CPA, lacks the graduate tax education and/or professional experience needed to advise you of all the tax-saving strategies available to the one-person business. Most tax preparers unfortunately spe... *Tax Strategies for the One-Person Business: 2017 / 2018*
