Description :

PDF-36aad | Fraud can happen anywhere—even in the most successful companies. Most businesses, large and small, lose an average of 5% of their annual gross revenues to insider fraud. The worst part? The Thief in Your Company is most likely the person you trust the most. Forensic accountant Tiffany Couch is a sleuth with an adding machine. She has seen theft in many forms, but what sticks with her the most ... *The Thief in Your Company: Protect Your Organization from the Financial and Emotional Impacts of Insider Fraud*
