Description :

PDF-ec236 | How do we define retail spaces to maintain commerciality and the 'experience' to encapsulate the virtual world as well as the physical one? How do we journey from private to public place? Where do people meet before they go shopping? Why do we go to a particular store and not another? What makes things sell? What first attracts us to a brand? Visual merchandising is concerned with all of these que... *Visual Merchandising for Fashion (Basics Fashion Management)*
