Description :

PDF-b1cfa | "The future," as the author William Gibson once noted, "is already here. It's just unevenly distributed." WHIPLASH is a postcard from that future. The world is more complex and volatile today than at any other time in our history. The tools of our modern existence are getting faster, cheaper, and smaller at an exponential rate, just as billions of strangers around the world are suddenly just one c... *Whiplash: How to Survive Our Faster Future*
