Description :

PDF-81918 | Silicon Valley's latest trend for creating new ventures is based on trial and error: test market needs with new product concepts and a minimum amount of capital, expect that the product may not meet the market need, so fail fast and try another product with the hope that a product-market fit will eventually emerge. But this fail fast, step-and-pivot philosophy is like taking a random walk in the... *If You Really Want to Change the World: A Guide to Creating, Building, and Sustaining Breakthrough Ventures*
